- Coloured pencils /colouring pens /paint
- Scissors
- Glue
- Large box - a cereal box/ shoe box/Easter egg box
- Card

Other things you could use

Magazines, Wool, Pipe cleaners, Cotton wool, Tissue paper, Egg boxes

CREATIVE CHALLENGE: DINO DIORAMA

Step 1

Take a piece of paper (you may need to use more than one sheet) and draw your background or draw straight onto the box whichever you find easiest.

Step 2

Stick the drawing into the box.

Step 3

Now draw trees, rocks and plants onto your card. Leave a tab at the bottom you can fold under. You can make 3D models just remember to leave a tab to fold under. Make them in lots of different sizes.

Step 4

Cut them out fold the tab under and stick them in place. If you have made lots of different sizes remember to put the littlest at the back and the biggest at the front.

Step 5

You could use tissue paper for trees and plants, add rocks made from egg boxes, blue card or wool for a river or a lake and many other things. Use lots of imagination.

Step 6

Add your dinosaurs to their new home
