CREATIVE CHALLENGE: GIRL ON LINER - PAPER DOLL CHAIN

Step 1

Take a piece of A4 paper(landscape) and fold it like a fan into six sections

Step 2

Draw half of a figure on the top of the folded paper. Make sure the figure is pointing towards the joined edge of the paper and that the fan and arm touches the opposite edge of the paper (this is where the figures will join)

Step 3

Cut out around the line

Step 4

Unfold the paper. You should have 3 figures joined in a row by their hands. Each hand has a fan – you can cut out the spare ones so the figures have one each.

Step 5

Decorate the figures with pencils or colouring pens – one can be the girl on a liner, the others are her friends, going to a party on the ship.

Step 6 – extension activity

Write the story of the girl on liner

What is her name?

Where is she travelling to?

Who is she waiting for on the ship's deck?

Who are her friends?

What happens next?
